

FREE FLU SHOT CLINICS ARE COMING!

PLEASE READ CAREFULLY

The Kansas Health Policy Authority/State Employee Health Plan, in conjunction with CVS Caremark, is hosting flu shot clinics **at no cost to employees enrolled in the health plan and their covered dependents ages 9 and up.** Retirees in plans A & B as well as Medicare Supplement plans are also eligible to attend.

- The 2010-2011 vaccine is a combination shot that provides protection against A/H1N1 (pandemic) influenza and two other influenza viruses - influenza A/H3N2 and influenza B.
- Vaccinations will be given on a first come, first served basis (except for Garden City where appointments are required). Depending on time and location, you may experience lines.
- Please bring your health plan card and/or CVS Caremark card to the clinic for identification purposes.
- Seek approval from your supervisor if you need to take time off from work to attend.
- Ask your doctor if you have medical questions such as who should receive the shot.
- Every effort will be made to ensure the widest availability of preservative-free, mercury-free vaccines.
- These free clinics are offered only where listed below. No additional clinics are planned.

SIGN UP NOW AT: <http://www.khpa.ks.gov/healthquest/fluclinic.html>

Appointments are **REQUIRED** for the Garden City event. For all other events, sign up is not required, but is preferred so we can more accurately estimate how many vaccines are needed for each location.
